(Sec. 8 company registered under MCA, Govt. Of India)

AYUR VAIDYA FOUNDATION

Ayur Vaidya Eduhealth Foundation is a section 8 company registered under the Ministry Of Corporate Affairs, Government Of India. Has been a dynamic force in the promotion and advancement of Ayurveda. Established with a vision to revive and integrate the ancient wisdom of Ayurveda into modern health care practices the foundation has undertaken numerous initiatives for to achieve its goals.

PROMOTION OF AYURVEDA

At the heart of our mission lies the promotion of Ayurveda as a holistic and effective healthcare system. We strive to raise awareness about the benefits of Ayurveda through various channels, reaching out to communities, healthcare professionals, and the general public. Our efforts include educational campaigns, public lectures, and collaborations with media to highlight the significance of Ayurvedic practices in maintaining health and preventing diseases.

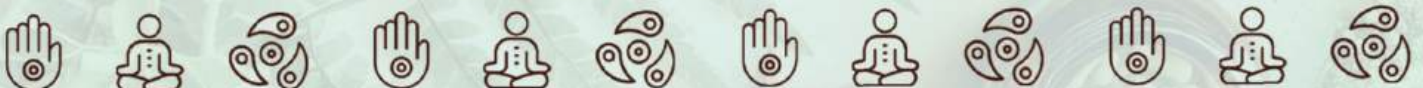

SUPPORT FOR AYURVEDA SCHOLARS AND PRACTITIONERS

Supporting the next generation of Ayurvedic professionals is a key priority for us. We offer various forms of assistance to Ayurveda students and practitioners, including Jobs from different brands, paid internship programs, mentorship programs, and hands-on training opportunities. Our initiatives are designed to equip them with the necessary skills, knowledge, and confidence to excel in their careers and contribute to the growth of Ayurveda.

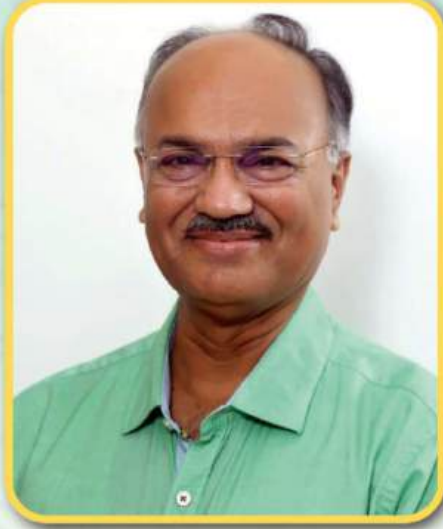

NATIONAL WORKSHOPS, SEMINARS AND EXHIBITIONS

Recognizing the importance of continuous learning and professional development, Ayur Vaidya Eduhealth Foundation hosts National workshops and seminars every year. These events bring together experts, scholars, and practitioners from across the country to share knowledge, discuss advancements, and explore new research in the field of Ayurveda. By fostering a collaborative environment, we aim to drive innovation and elevate the standards of Ayurvedic practice.

As same this year, our foundation is going to organize a three days **National Ayurveda Festival "Ayur Mahotsava" on 07-08-09th of November at Panchkula, Haryana** in which 4000+ Doctors will participate from across the nation. Along with this we're planning for Ayur Expo, Health camp, workshops, seminars, paper and poster presentation.

OUR PATRON

Ayurvedacharya Prof. (Dr.) Hitesh Jani

**Ex - Principal & HoD - Panchkarma at
Gujarat Ayurved University, Jamnagar.**

**Member - Animal Welfare Board, Govt. of India
Chairman - Panchgavya Clinical Registry
Chairman - Gauvigyan Foundation, Jamnagar,
Gujarat**

MESSAGE

National Ayurveda Festival "Ayur Mahotsava 2025" bringing together esteemed Ayurveda scholars, practitioners, and thought leaders from across the nation in Panchkula, Haryana on 07-08-09th of November 2025, is a remarkable endeavor that demands exceptional dedication, vision, and collaboration. Ayur Vaidya foundation unwavering commitment to orchestrating this prestigious festival is truly commendable, and I deeply appreciate the meticulous planning and tireless efforts invested in making it a resounding success.

This National Ayurveda Festival will undoubtedly serve as a significant milestone in the advancement of Ayurveda, fostering intellectual exchange, innovation, and a stronger sense of community. I am confident that this event will not only honor the rich heritage of Ayurveda but also contribute to its broader recognition and integration into global healthcare.

Wishing you all the very best for a successful, enriching, and impactful festival. May your foundation dedication continue to inspire and elevate the field of Ayurveda for generations to come.

I look forward to seeing you all at Panchkula during the event. May the whole world benefited from Ayurveda.

**May Lord Dhanwantri bless all.
Best wishes.**

(Hitesh Jani)

GREETINGS

Dear Delegates,

Ayur Mahotsava, the National Ayurveda Festival, is a unique and vibrant gathering dedicated to celebrating the ancient science of Ayurveda. This festival serves as a platform for Ayurveda practitioners, enthusiasts, wellness professionals, and the public to come together for sharing the knowledge and experience the healing power of Ayurveda.

This year's theme emphasizes the resurgence of Ayurveda as a comprehensive approach to health and wellness in today's fast-paced world. Ayurveda, with its focus on balance, prevention, and natural healing, holds immense potential to enhance the quality of life in modern society.

By integrating time-honored Ayurvedic practices with contemporary approaches, we aim to find sustainable solutions for wellness, environmental health, and social equity. Through this theme, Ayur Mahotsava aims to inspire individuals to embrace holistic healing practices for achieving physical, mental, and emotional well-being.

This festival will feature a diverse and distinguished delegation from across the nation. Attendees can look forward to hearing from renowned scholars, experienced practitioners, global ambassadors of Ayurveda, and leading institutions in holistic health.

आयुर्माहोत्सव 2025™

07 08 09
November 2025

PANCHKULA
(Near Chandigarh)

- The festival aims to showcase Ayurveda as a global leader in sustainable and holistic healthcare, drawing attention to its relevance in today's fast-paced world.
- Encouraging research and development in Ayurvedic sciences to ensure that traditional knowledge is adapted and advanced through modern scientific methods.
- Educating the public about Ayurvedic remedies, therapies, and treatments for various health conditions, emphasizing its preventive and curative powers.
- Focusing on Ayurveda's sustainable, eco-friendly approach to healthcare, which encourages the use of natural resources without compromising on human health or the environment.

The National Ayurveda Festival: Ayur Mahotsava is more than just a gathering; it is a movement to reawaken Ayurveda's profound wisdom and its integration into modern-day health practices. Through education, collaboration, and celebration, this event aims to establish Ayurveda as a fundamental part of global wellness and healthcare, fostering a healthier and more sustainable future for all.
